Jason Ho'opa'i
Director - Acting V.P.
Hawai'i Legacy Reforestation Initiative

Maui born entrepreneur, I come from a background in design and commercial real estate throughout the Pacific. My real estate focus has been in repositioning, retail, and hospitality assets, with a core interest in tenant mix, finance, and technology deployment.

I am accredited for multiple software startups surrounding retail intelligence, consumer behavior, and security compliance SAAS systems.

I am a life learner with an appetite for large-scale problem solving. My contributions to HLRI are a result of that dedication to offer fulfillment to our cultural history and natural beauty by being a force of good in all that I do.

Today, I am engaged in HLRI as a proponent to the organization's mobility and focus. When not planting trees, I oversee passive and active investments in San Francisco, Kona, Maui, and Oahu. I live in Honolulu with my 3 children and wife of 14 years.

Visitor Aloha Society of Hawaii

The Visitor Aloha Society of Hawai'i (VASH) was founded by the Honolulu Rotary Club in 1997 and is a volunteer organization dedicated to sharing the Aloha spirit with visitors who have been victims of crimes or other adversities, and providing follow-up assistance and support to these visitors in an effort to create a positive memory of their stay in our islands. VASH also recruits, trains and coordinates the efforts of community volunteers to provide assistance and support to visitors.
